

Smithtown Christian School
Middle School Supply List
2017-2018
(Grades 6-8)

One of the greatest challenges students face in the middle school years is how to manage increased responsibility. Students go from having one teacher all day long to various teachers throughout the day, each with different expectations. To meet these expectations, students must develop good organizational skills. To facilitate this, Smithtown Christian Middle School will continue to use Master Notebook for the 2017-2018 school year.

Students will be taught how to use this organizational system throughout the school year.

Middle School Supplies – Grades 6-8

Master Notebook Supplies

- 1 White 1.5” binder
- 1 Black 1.5” binder
